

REMARKS

Claims 1-9, 13-17, 21 and 24-25 are all the claims presently pending in the application. Claims 1, 11, 24 and 25 have been amended. Claims 10-12, 18-20 and 22-23 have been canceled.

It is noted that the claim amendments are made only for more particularly pointing out the invention, and not for distinguishing the invention over the prior art, narrowing the claims or for any statutory requirements of patentability. Further, Applicant specifically states that no amendment to any claim herein should be construed as a disclaimer of any interest in or right to an equivalent of any element or feature of the amended claim.

Applicant gratefully acknowledges the Examiner's indication that claims 11, 12, 20 and 23 would be allowable if rewritten in independent form. Applicant notes that claims 1, 24 and 25 have been amended to include the features of allowable claim 11. Further, remaining claims 2-9, 13-17 and 21 depend directly or indirectly from claim 1. Therefore, Applicant respectfully submits that all of the claims are in condition for immediate allowance.

In view of the foregoing, Applicant submits that claims 1-9, 13-17, 21 and 24-25, all the claims presently pending in the application, are patentably distinct over the prior art of record and are in condition for allowance. The Examiner is respectfully requested to pass the above application to issue at the earliest possible time.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.
